

In coincidence with the celebration of the Spanish-Polish Summit, the State Secretary of Commerce in Spain, the Spanish Chamber of Commerce and the Spanish Confederation of Business Organisations (CEOE), have the honour to invite you to an Informative Conference entitled: "Investment Opportunities in Poland".

In the event, which will be held the upcoming 16 of July at 9:00h, in the Spanish Chamber of Commerce head office (C/ Ribera del Loira, 12 – Madrid), representatives of the Spanish Government will be involved, as well as the Undersecretary of Community Funds of Poland, Mrs. Ilona Antoniszyn-Klik.

Poland is an European Union member since 2004 and one of the main beneficiaries of European Funds. From 2014 to 2020, 105.800 million euros have been allocated to Poland, of whom 72.900 million correspond to the Cohesion Policy and 28.500 to the Common Agricultural Policy.

The endowment allocated to the Cohesion Policy will be divided in six National Operational Programmes: Infrastructures and Environment, Intelligent Development, Knowledge, Education and Development, Digital Poland, Poland Eastern Side and Technical Help. We will have the opportunity to get first-handed and deep knowledge of the management of the programmes which will be developed in the following years.

If You are interested in participating in the conference, we would appreciate you to contact via email to: [micaela.picazo@camara.es](mailto:micaela.picazo@camara.es).
