Garrigues workshop for expatriates

End of 2011 - annual tax settlement for expatriates

*Are you sure that you have done everything
to secure your annual tax settlement?*

Garrigues Warsaw office has a pleasure to invite to our workshop dedicated to the annual tax settlements of expatriates living in Poland. During our meeting we will discuss general rules of taxation applicable to expatriates. We will also list and explain allowances and deductions available under the Polish law.

Among others we shall develop on the following matters:

- the principles of taxation of individuals in Poland
- Polish tax residency
- tax reliefs available to expatriates living in Poland
- the scope of supporting documentation needed to settle your 2011 tax at the minimum
- obligations related to the social securities settlements, including international aspects
- opportunities to minimise your tax burdens in the future
- actions to secure your settlements and avoid disputes with the tax authorities.

We intend our workshop to bring you benefits in the form of practical knowledge and advice on the tax settlements in Poland.

Special offer

All participants will have the opportunity for individual consultations after the workshop.

We are honoured to inform you the Polish-Spanish Chamber of Commerce has kindly agreed to support Garrigues in hosting you during the event.

Speakers:

Szymon Murawski is the Head of Tax Department in Garrigues Warsaw and a tax advisor with over 10 years' professional experience gained in one of the biggest consulting firms and a global law firm. His expertise includes tax optimisation of local and cross-border operations as well as M&A and restructuring. His client portfolio consists of firms and individuals from a wide range of sectors, in particular, private equity funds, financial institutions, energy and real estate companies. In 2006, working for Deloitte Luxembourg office he was responsible for supervisory and implementation of various tax optimisation structures for Polish and foreign clients.
