**cordially invite you to the first Speed Business Meeting ONLINE,
which will take place on November 25th, 2020 from 1.00 p.m. to 3.30 p.m.**

Speed Business Meeting is a unique formula where companies can reach a very wide audience with their offer thanks to cooperation between several bilateral chambers. The participant has the opportunity to take part in a series of short online meetings with representatives of selected industries. Each registered participant is assigned to several groups where he/she will meet with other 5 people. Every session will last approx. 20 minutes and each participant has three minutes to presents his/her company. After the session ends and after receiving the on-line message from the moderator, the participant moves to the next group assigned to him/her earlier (you will receive the numbers of tables before the Mixer). This is a unique networking formula that allows the participants to gain many contacts in a short time. However, the organizers do not guarantee that the participants will meet with companies from each sector indicated in the application form. This time instead of the traditional business cards exchange we encourage you to join the exclusive LinkedIn group! A link to such a group will be given to you after the registration.

Participation in the event requires its prior registration (only 1 person from each company can participate). Participation is free of charge for companies associated in the chamber. The cost of participation for non-members is 200 PLN + 23% VAT per person (paid before the event). To register the participation of non-member company please contact us directly: k.tetych@phig.pl.

Registration link for the member companies: <https://forms.gle/BnyRitwdDiZZMPKG9> Please send it back by November 23, 2020.

To register **non-member company** please contact us directly: k.tetych@phig.pl

Agenda of the event:

12.00 - 12.50 Technical rehearsal

13.00 - 13.15 – Event opening and discussion panel

13.15 - 15.15 - Business Mixer
