

**AN INTERACTIVE HISTORY
OF POLISH VODKA
AND UNIQUE EXPERIENCES**

MUSEUM

AND MORE

There's plenty more to the Polish Vodka Museum than interactive exhibitions and the story of Poland's national drink. Our former distillery with its carefully restored interiors, captivating in their contemporary design, offers guests an array of engaging workshops, trainings and film screenings. The museum's premises can host film presentations, lectures and business meetings.

And after hours?

The museum building is open to guests, who want to organize themed evenings, integration meetings, birthday parties and even private screenings as well.

TOURS

& EXPERIENCES

MUSEUM

TOURS

Explore the Polish Vodka Museum with our hosts' expertise as your guide in discovering Polish Vodka history with contemporary flair, enjoying a complimentary vodka tasting. Experience reveals your flavor preferences as you explore the unique range and tastes of Polish Vodka.

VODKA

MASTER CLASSES

POLISH VODKA COCKTAIL MASTER CLASS

Shake, mix, muddle and mash your favourite cocktails

An interactive session on cocktail culture in which you pick up tricks of the bar trade for creating your own cocktails at home.

POLISH VODKA FOOD PAIRINGS

Something for Gourmets: Polish Food and Polish Vodka in Tandem

Guests sample three Polish Vodkas: from rye, wheat, potatoes. Each will be precisely paired with tasty contemporary Polish appetizers, complementing and enhancing each vodka's distinctive flavors.

POLISH VODKA TOASTS

Much More than Just *Na zdrowie!*

History, or a party? The two make a neat fit together. From traces of our ancestors' toasts, we learn how they indulged and celebrated. And how those earlier occasions shaped today's parties at home. We welcome you into a dialogue with Polish Vodka, an enduring element of toasts and traditions, enriching and enlivening our festive presentations and vodka tasting.

POLISH VODKA HOMEMADE INFUSIONS

For the Aesthete Who's Keen on Craftsmanship

You learn how infusions work for you, through combining diverse flavors and playing with varied ingredients: seasonal fruits, tea syrups, confections, herbs, spices and blossoms. We will encourage you to produce your very own flavoured styles infusions using combinations of local ingredients and best techniques.
