PRESS RELEASE

Agnieszka Nowocień heads the HR and Payroll practice at TMF Group in Poland

6 December 2021 - In November this year Agnieszka Nowocień took the position of Director of the Payroll and HR practice of TMF Group in Poland. Among other things, she is responsible for building a strategy to develop a portfolio of HR and payroll services for more than 800 companies served in Poland and for potential clients.

TMF Group is a leading provider of business administration and compliance services to companies in the area of international growth - either organically or as a result of mergers and acquisitions, as well as to investment funds. TMF Group's services are used by more than 60% of the Fortune Global 500 and FTSE 100 companies and nearly half of the world's 300 largest private equity firms.

Agnieszka Nowocień works in the Warsaw office of TMF Group's Polish branch, which employs over 600 experts in Warsaw and Katowice and is one of the largest TMF Group branches in the Europe, Middle East and Africa (EMEA) region.

Her role is to manage the quality of payroll and HR services delivered to over 800 Polish and international clients serviced by the Polish branch, as well as to develop TMF's business in this area. To this end, Agnieszka will be responsible for building the company's service portfolio development strategy in this segment. Moreover, the new director will take care of standardization of services provided by the Katowice and Warsaw branches of TMF Group.

Agnieszka Nowocień has been associated with TMF Group since 2017. Initially as payroll manager, then as HR and payroll manager and senior manager managing this practice in the company's Warsaw branch.

Previously, between 2008 and 2017, Agnieszka Nowocień was associated with Exor S.A. a company that was acquired in 2016 by TMF Group. She performed payroll manager duties at the company during these years.

The manager started her professional career in 2005 at International Outsourcing Services, most recently as a payroll and HR manager.

She is a graduate of the Higher School of Business at the Faculty of Economics with a specialisation in Accounting and Finance and of the Military University of Technology at the Faculty of Cybernetics, where she graduated with a specialisation in Human Resources Management.
