

# IGCC: INTERNATIONAL CHAMBERS ROUND TABLE – WROCŁAW SESSION BUSINESS BREAKFAST

**Future is now for next generation. How business, administration, municipalities, and NGOs can effectively lead the green revolution in Polish cities?**

Let's bring together sustainable development topics to a common ground of business and municipality.

Join us as we **welcome special guests** and **enjoy an informal discussion** between representatives of Wrocław, local institutions and associated companies from bilateral chambers about challenges and opportunities at the regional level. **The theme of this IGCC Round Table meeting will be green energy.**

THURSDAY 24/02/2022
